Fast

January 17th Day 4

Today's Focus is: The Fear of the Lord

The fear of the Lord is often misunderstood. There are even cases when Christians find that they have an unhealthy fear of God. Our world is in rebellion. They hate Yah and His Christ. There is no fear of the Lord among them but one day they will find that ignoring Yah's grace in Christ will come at great cost eternally. We are called to be the light of the world. As ambassadors we must show the world what living for Christ looks like.

"There is no fear of the Lord among the wicked, but one day they will find that ignoring Yah's grace in Christ will come at great cost eternally."

1. Morning: _____
2. Noonish _____
3. Evening _____

Take this day and set apart 3 times when you can Read, Pray, and Listen. Place those times in the selected part of this page and guard this time. Read one passage per time and be still. Journal what you hear Yah speaking to you.

Musing On The Scriptures

Psalm 111:10- Why is it important that we see God as the gift giver to all who would surrender and receive? Why is it important that we see and surrender to the Holiness of Yah? What is your view on how Christians are to fear God? What does it mean according to Scripture? Do they differ?

Romans 1:26-32- What is the danger of constantly living a disobedient lifestyle? Have you struggled with desires that you know are against what you know to be holy? How do you keep them from becoming sinful acts instead of just temptations? What is the key point in this passage? What is Yah saying to you about the dangers of disconnecting from Him? What are the benefits of drawing close to Him?

Proverbs 14:2-3- How does uprightness of lifestyle connect to fearing the Lord? Does your walk/lifestyle show a fear of Yah or rebellion against His word? Are you fighting against perversion or submitting to it in your personal life? What steps are you willing to take to subdue perversion's influence over you?

Give Thanks for A Heart to Repent

Pride + Disobedience = Hatred towards scripture and the one who gave it to man. As believers in Christ we are called to obedience, even commanded. This is not because Christ is a cosmic kill joy. He wants us to have joy unspeakable and peace that surpasses all understanding. This only comes by way of loving Him and obeying His word. We all must walk in daily confession of sin, seeking the scriptures to change and renew our minds. A healthy Christian fears The Lord. How's your spiritual health?
